

DANCE ENCOUNTER PRICING:

Classes are charged by time and over Summer by the session. There are no payment plans, like there are during the school year. Missed classes can be made up, if other going classes of an appropriate age or level are available. Otherwise, pro rations may be arranged in advance at the onset of enrolment, by specifying the absentee dates (for a maximum of two weeks).

The more hours danced the average hourly rate decreases slightly. The average hourly rate is between \$15 & \$16.

e.g. 1 hour for the 6 weeks is \$94.50 plus \$25 registration fee for new students.

The session is a 6 week session from June 12th through July 29th but runs in two 3 week consecutive blocks with a week off inbetween July 3rd – 9th.

Once you register online, you request your class and you will receive an email confirming your class request, followed by a statement. We can then handle your payment or you can choose to pay online (or by phone or by check/cash).
