

# NUTCRACKER SUITES

## & Dancing Holiday Treats Dec 10<sup>th</sup> 2023

As discussed this production is for all classes and all styles and therefore not a classical ballet production although it will contain ballet. Lead roles, therefore, are not traditional and not necessarily classical. We are excited for this production and to watch your continued growth. It is asked you trust the vision of your teachers/director/choreographers and enjoy the process of bringing yet more varied performances to your stage.

*Please remember that just because it isn't a fully classical show, traditional ballet attire is still expected in class, thank you.*

*FYI I think Clara will be a voice (possibly an actor person) narrating our show. We will not have all roles exact, as previous shows. The whole show is not set yet, as we have some 'unknowns' regarding enrolment/ classes....Also, we will try to multi-purpose some choreography that could go to competition- these roles will have an asterisk, as we know your time is limited. Not required but we see these as potential competition pieces. The other roles will be less easy to take but that doesn't mean you will not have a specialty. I do need to verify parents are ok with that second dance (later on- )*
